PROJECTS

Aug 2025 – Present	Founder, RaceFlow	teamracing.xyz
	- Identified a gap in the market for team racing scheduling at sailing competitions, and built a system that improves event scheduling, racing efficiency and results accuracy. Now licensed to sailing clubs. - RaceFlow has run 19 regattas to date, including the Irish Schools Nationals, the Irish University Varsities and the Munster Schools Team Racing Championship. - Now expanding internationally, with Nantucket Yacht Club the first club in the United States to adopt it. - Built in TypeScript on Next.js and React, with automated Swiss pairing and knockout bracket scheduling, live race timing and results over WebSockets, push notifications and PDF results export.	

ACHIEVEMENTS

- Winner, Irish Sailing Junior Champions Cup 2023 — in which the national champion of every class races off to crown the best under-18 sailor in the country.
- First place youth team at the Wilson Trophy, West Kirby — the leading international team racing regatta.
- Winner, Irish University Sailing Association National Championship 2026, and third place at the Irish Team Racing Nationals.
- Competed at the 29er and ILCA 4.7 World Championships.
- Grade 8 Piano.
